

BE A PART OF THE POWERFUL MINISTRIES BRINGING HOPE TO HONDURAS!

Faith church will be partnering with Impact The Globe for its upcoming 2025 trip to Honduras. Impact has been offering mission trips for the last 11 years to allow churches like Faith to engage and build relationships with communities outside the United States.

The dates for this trip are June 27 - July 8, 2025. You will fly to California for 2.5 days of training from Impact The Globe. Then you will be in Honduras with Union Biblica doing service work. Your return flight will be back to Minneapolis from Honduras. Following your return to Minnesota, Impact The Globe will process and coach all attendees on what to do with their new found mission experience.

Faith church will be working alongside Orlando and Silvia Japas and the Unión Bíblica Staff and volunteers in Honduras to share Biblical values with the young people of Honduras. The people of Honduras are living through a time where children are growing up learning from cycles of family disintegration and violence. The team will have opportunities to minister within schools teaching a different way of life-based on the gospel, get to know the local church and form bonds with inspirational Honduran Christians. Knowledge of Spanish is helpful but not required.

In Honduras we will be working with:

Union Biblica de Honduras unionbiblica.com

Biblical Union carries out missionary work in accordance with its two basic objectives of promoting the spiritual formation of children and adolescents and reading the Bible. To do this, it organizes activities on its own or through the churches that request their collaboration, edits materials, books and offers a daily Bible reading system based on a reading plan that fully covers it.

With the churches, Biblical Union works to make the good news of God known to children, young people and families, encouraging people of all ages to meet God daily through the Bible and prayer, so that they may reach a personal faith in our Lord Jesus Christ, grow in Christian maturity and become faithful members of the church and servants of a world in need.

The Biblical Union pursues these purposes through a variety of specialized ministries throughout the world, in obedience to our Lord Jesus Christ and dependent on the Holy Spirit.
